

## Hoster Jumbo Lifter

The Jumbo Lifter from Hostert is the ideal solution for lifting and transporting heavy material rolls to and from your equipment.

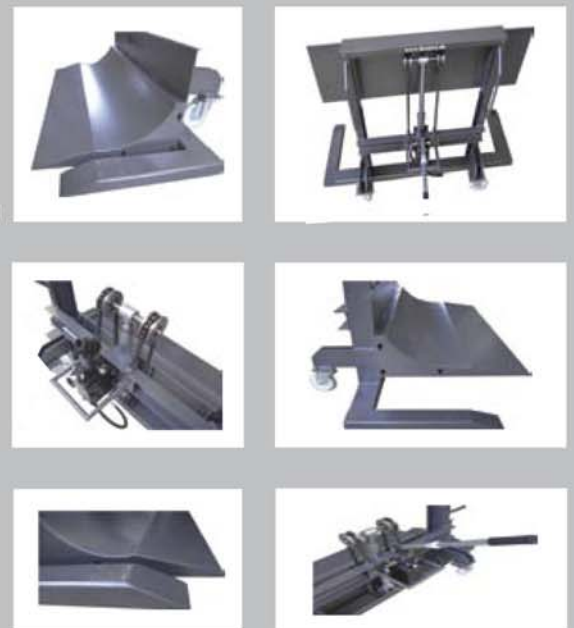

### Advantages:

- With our hydraulic system, rolls weighing up to 1000 Kilograms can be raised to a height of up to 90 cm.
- Rollers under the lifter allow you to move the lifter in all directions as required.
- The Jumbo Lifter passes through doorways and openings from one meter and larger.

The lifter is made with high quality materials, is extremely sturdy and has very low maintenance thanks to the stable construction.
